God loved His people, the Hebrews. He made a way for them to be saved from this terrible plague.

All the Hebrew families were to put the blood of a lamb on the sides and tops of their door-frames. Then they were to go into their house, and stay inside all night.

God promised, "When I see the blood, I will pass over you." That meant they would be completely safe on the night of the plague.

Colour the picture using red for the blood on the door frame.
